

## CALGARY INTERCLUB SQUASH LEAGUE

CALGARYSQUASH.AB.CA

June 20, 2015

### **WELCOME TO ALL SPORT ONE DAY AND THE SPORT OF SQUASH!**

Dear Parents,

The Calgary Interclub Squash League is excited to be offering for the SECOND time ever the Sport of SQUASH at All Sport One Day. We hope that you and your children get much out of the day and choose Squash as one of your future sports. It is the one of the mandates of the Calgary Interclub Squash League to promote the development of the Sport of Squash in Calgary and region.

Our chosen instructor is Kevin Doucet a full-time Squash Professional in Calgary for over 20 years. Kevin is a certified level four NCCP Coach who has coached National Teams and has had athletes win National and North American titles. The majority of the work he does currently is with junior development and with adult club players looking to learn the sport or bring their game to the next level.

The program that Kevin has designed for the Day ensures an appropriate introduction to the Sport of Squash for your children. Kevin will be ably assisted by assistant Professional Kiefer Waite, volunteers Glory Bryant, Leigh Derby and the wonderful advanced junior squash player, Malak Kamal.

And of course you will be interested in the following options available in the City for you and your children to learn the Sport of Squash. Please register your contact information with us for followup. Our volunteer Mike Robinson will assist you. Attached is some important and useful information.

We welcome your feedback, advice and ideas, and thank you for your family's participation in All Sport One Day and the fun sport of Squash! Please send your feedback to [roncoggan@shaw.ca](mailto:roncoggan@shaw.ca).

Yours sincerely,

Ron Coggan,  
Director
